Why: The troop uses the funds to help cover the cost of troop activities and supplies. It helps reduce the cost of participating in these activities that otherwise may not be affordable for everyone to participate. We choose to partner with a local vendor for our largest fundraiser.

Why did we change from the flower delivery of the past?

Grants no longer is offering delivery. The fundraiser takes place during the busiest time of the year for the greenhouses and takes a lot of man power away from the greenhouses to load the trucks and deliver the flowers. The troop has a long standing relationship with Grants and we chose to keep our business with them.

Important: Vouchers do expire on 6/30/2023. They cannot be duplicated or replaced. Treat them like cash!
